

*A transformational movement
for the modern age*

The Catholic Initiative is an innovative, Vatican-approved model designed to restore and endow Catholic churches, schools, and parishes in perpetuity.

The Catholic Initiative is a pillar of the **Pulte Family Charitable Foundation's (PFCF) "Legacy of Hope"**

Projects, dedicated to revitalizing and uplifting underserved communities by investing in a brighter future. The PFCF is taking the lead by investing \$111M over the next 3 years and will be inviting others to stand beside them with their financial resources in the future.

In addition to strengthening Catholic communities, they are also addressing housing challenges for marginalized populations through two flagship projects, Monarca and IDDeal Place.

We invite you to join us in our mission to revitalize Catholic churches, schools and parishes across the nation. Together, we will have a lasting impact on the future of faith and communities we serve.

It's my considered opinion
that without this Initiative,
the Basilica de Sainte Anne
would come to ruin.

Archbishop of Detroit, Allen H. Vigneron

THE CATHOLIC INITIATIVE

RESTORING & ENDOWING CATHOLIC COMMUNITIES IN PERPETUITY

The Catholic Initiative is dedicated to revitalizing Catholic churches, schools and parishes across America. Our mission goes beyond restoring these vital institutions; it's about elevating them to new heights, creating vibrant parishes where community, faith, and culture flourish together.

*"It's more than a building.
It's what happens in the building."*

Monsignor Charles Kosanke

A groundbreaking approach

The Catholic Initiative, part of the Pulte Family Charitable Foundation, partners with parishes to transfer church property ownership to a newly formed nonprofit, ensuring **parish communities retain exclusive, permanent rights for 200 years.**

The Catholic Initiative then spearheads fundraising efforts to **restore and renovate** the church and its facilities, and to **establish a dedicated endowment** for the parish. From critical repairs to modern enhancements, the goal is to **improve both the functionality and appeal of the parish with enhanced community engagement efforts and strategies to create vibrant community hubs.** With full transparency, the endowment provides a reliable income stream to sustain the parish and school long into the future.

OUR MODEL

RESTORATION

ate and modernize the basilica and the surrounding Ste. Anne property, preserving its heritage while ensuring its sustainability and prosperity for generations to come

ENDOWMENT

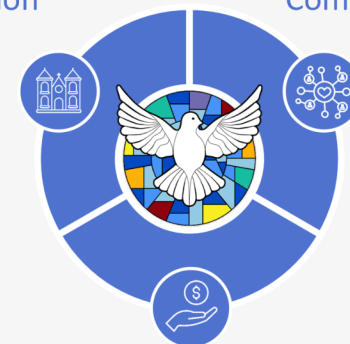

Endow Ste. Anne parish with cash to meet future maintenance and operational needs, freeing up priests and church leaders to spread the Word of God

COMMUNITY HUB

Strengthen Ste. Anne as a dynamic hub that serves and energizes the parish and surrounding community through social activities, education, youth programs, elderly outreach, and charitable services

Restoration

Community Hub

Endowment
